

Juniata County, Pennsylvania 2020 Hazard Mitigation Plan

APPENDIX A: References

The following is a list of references that was utilized in the various sections of the 2020 Juniata Hazard Mitigation Plan Update. These references provided valuable information for the update of statistics and other specific information. The capability assessment, risk assessment and the community profile sections were the areas that these reference materials provided the most benefit. Juniata County will continue to gather reference information for the next 2025 mitigation plan update.
