Dear Mr. Fultz

The Juniata County Commissioners have been tasked with completing an update to the current 2015 Juniata County Hazard Mitigation Plan. The update process began January 17, 2019. The 2020 Juniata County Hazard Mitigation Plan was updated and is available for public comment from November 1, 2019 through December 3, 2019.

It is important that the counties surrounding Juniata County have the ability to review and comment on the updated draft 2020 Juniata County Hazard Mitigation Plan. The draft plan is available at the Juniata County website, <https://www.juniataco.org/departments/planning/hazard-mitigation-plan/> If you have comments in reference to the plan, please forward your comments in writing to the attention of Allen Weaver, Juniata County Emergency Management Coordinator.

If you have any questions, please feel free to contact the project manager for the hazard mitigation plan update, Michael T. Rearick, Senior Consultant with MCM Consulting Group, Inc. at 814-229-8063.

Sincerely,
